## Cheese Type Powders

Foran offers a range of full flavor cheese type powders to fit an assortment of applications. These easy to use cheese type powders are also a kosher pareve, non-allergenic alternative to other varieties. Our cheese type powders come in three flavors: Cheddar, Parmesan, & Romano.

### Foran's Cheese Type Powders have many advantages including:

- Kosher Pareve Certifiable
- Non-allergenic
- Full flavor option
- Applications include snack foods, bakery items, dips, dressings, and sauces
- 40-60% overall cost savings
